IDN: _____   Printed Name: _____

CP-Robotics-Major Code: 4011

This degree is not available in a guaranteed 8-semester plan for qualified freshmen. **See your advisor to declare your major and sign an official degree plan.**
The prerequisites and corequisites of the degree requirements are subject to change.

MATH/ENGL co-requisite courses if student does not meet placement requirements:
Corequisites: ENGL 0201_____ ENGL 0202_____   MATH 0301 _____ MATH 0302_____ MATH 0201_____

REQUIREMENTS – 9 hours

Courses

ELEC 2413 Robot Operations and Maintenance	3 Hours	Grade_____
ELEC 2423 Robot Programming II	3 Hours	Grade_____
ELEC 3443 Robot Studio Programming	3 Hours	Grade_____

Total Hours: 9

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
